Head Teacher's Message

Dear Parents and Carers,

I am not sure where the Spring Term 1 disappeared to and half term seems to have gone by very quickly also. This term again is very short and so we are going to be very busy.

Parents Evening will soon be upon us and the sign up for this will be sent to you on Monday 26th February so please look out for it.

World Book Day is on the 1st March and this year we are asking for pupils to choose their favourite character and dress up as that character. We would also like the pupils to bring in the book that they and share it with other pupils in school. Teachers are also planning more exciting activities to happen on that day.

Please can I remind you again that the front of the school is not for dropping off and that all pupils in cars should come up the path at the back of the school.

Kind regards

Sarah Smith
Head Teacher

Value of the Term - Justice

We have a lovely new display in the hall where pupils who have taken on the mosaic challenge have their work displayed. This term's value is Justice and we are looking forward to seeing some great designs of weighing scales. See the attached Home School Values Sheet for more information. Also remember to fill your leaf in for our Values Tree if you see any examples of Justice at home.

Diary Dates

FEBRUARY

- Mon 19 Spring 2 term starts
- Wed 21 Fizz Pop Assembly

Class One News

In Class One we have been measuring, looking at longer and shorter. We painted rockets zooming into space.

By Petraki Kouzaris and Charlie Lee

Class Two News

We have been practicing A and B in our recorder lessons. Mrs Cook was so pleased that she tweeted us practicing and it sounded really good. In English we have been writing our version of the Ice Palace. In Maths we have been doing place value and multiples. Also in our topic we found out where rain goes and about the Beaufort Scale. For spelling we have been learning about suffixes.

By Emelia Lumb and Izzy Fellows

Class Three News

The week before half – term, class 3 finished writing their sci-fi stories. Sci-fi stories were based on Class 3's planet called Pandora. In Maths Class 3 were finding angles of different shapes. In Science we were learning about the cycle of the moon. In RE we finished our topic of Hinduism by looking at the Hindu rules of today.

By Ashton Cooper and Lewis Farrell

Congratulations...
