

Redmarley C of E Primary Academy Newsletter

Issue 13

25th March 2019

Head Teacher's Message

Dear Parents and Carers,

Thank you to all who entered into our Great Redmarley Bake Off in aid of Comic Relief. Mrs Wheeler, our chef, judged the competition for us and said that it was very difficult as all of the entries were so good. We raised £83.10 and congratulations to our Star Baker – Erin Garbutt-Griffiths. Also thank you to Miss Brewster who made the amazing trophy. If you haven't seen it – have a look on our twitter page.

This week is Parents Evening and running alongside is our Book Fair. Please find time to have a browse through and may I take this opportunity to Kay Sharpe for running it for us this week. It is a good way of raising money to buy books for our school.

We had a lovely daffodil walk and thank you to the parents who came along with us. We took a different route this time with Mrs Cook leading the way for the last time. We do have a collection for Mrs Cook in the office. If you would like to donate anything to her leaving present, please do send it in to Mrs Watkins.

This is the final newsletter before the holidays and so I wish you all a lovely break and look forward to seeing you all back in school on Tuesday 23rd April.

Kind regards

Sarah Smith
Head Teacher

Message from Rev Jill

Saturday, May 30th - posy and card-making for Mothering Sunday – 10am in Church

Sunday, May 31st - Mothering Sunday – family friendly service with cake making! 10am in Church

Wednesday, April 10th - M.U. Family Fun Morning in School. 8.30am for bacon and sausage rolls. Then all kinds of Easter –y activities to make and do, finishing with a short time of worship at 12.30pm. EVERYONE is welcome!

Saturday, April 13th - Easter Coffee Morning in Church from 10.30am. Bring and Buy and all sorts of other stuff!

Hope to see you at any or all of these.... Happy Easter and many blessings.
Jill

- Thur 6 Sports Afternoon – 1pm

Respect • Persevere • Achieve

Clubs

This week is our last week of clubs. There will be no clubs next week. If you need childcare, please contact Happy Turtles on 01531 650486 who will be more than happy to help.

Please look out for the clubs letter for next term in your child's bag. It is my intention for it to go out either today or tomorrow and to have confirmation of clubs by the end of the week.

Plant Sale – Saturday 18th May

What a fantastic weekend. I spent a lot of time in the garden – mainly mowing my lawn which was more like a hay field. Please don't forget to pot up any unwanted plants and donate to our Plant Sale.

Class One News

In Maths we did height and length. We measured the height and length with cubes and then we started measuring with rulers. It was very important that we lined it up with the 0 on the ruler or it would be too big and it would be wrong. Reception were finding one more with our Numicon. We have also been looking at shapes, including 2D and 3D shapes. In topic we talked about extreme weather and the types of it including monsoons, droughts, tornados and storms.

Ethan Hill, Theo Vinson and Avelyn Lumb

Class Two – News

We have been learning about fractions and decimals. In English we have been learning about non-chronological reports and Roman newspapers. Also in topic we have been learning about Romans and Celts

Tilly Bengier and Issy Fellows

Class Three – News

Last Friday we all went on a beautiful daffodil walk but a very tiring one, with the whole school, teachers and parents who wanted to attend! This Wednesday coming up we are going to the Gloucester Music Academy in Gloucester to perform music and singing to parents. Then next week on Wednesday some of Class 2 and 3 are going to the theatre in Malvern to watch Madagascar. In English we have been working on writing a story based on Hugo Cabret but as an adult. We are focusing on using flashbacks. In Maths Year 4 have been doing decimals and place value. Year 5 have been doing percentages and Year 6 have been doing perimeter, area and algebra.

Ella Richards and Libby Harry

Congratulations...
