Head Teacher's Message

Dear Parents and Carers,

Another busy two weeks have passed as we head rapidly towards half term. Many thanks to all who supported our Plant Sale on Saturday. It was lovely to see so many past parents and members of the community coming together in the village hall to get a bargain or two. The hall was bursting with high quality plants and they flew off the shelves. There are some left; these can now be found on the forecourt of the BP Garage on the main A417 (between Staunton and Hartpury), thanks to Kerry and Rich Hall. Please do pop in if you are passing as there are more bargains to be had. Hopefully we can add to the fantastic £849 raised on the day and get the grand total to £1000.

Our sporting success continues and congratulations go to the Swimming Gala team who did very well on Thursday afternoon. We won 15 races and came second in 4 and so we have got many through to the finals afternoon on Thursday 6th June. As a result of this and the Y5 Taster Day I have made the decision to cancel the scheduled Sports Afternoon on the 6th June and rescheduled it for the 5th July. Hopefully you saw my email about this last Thursday.

The children really enjoyed the Lego Theme Day organized by the School Council. We had fun designing bridges, boats, completing treasure hunts and working together as a year group.

I have added more dates to the diary including a family quiz and curry night with the quiz being devised by Mr Kilmister. Look out for letters in book bags!

Kind regards

Sarah Smith
Head Teacher

Swimming Help urgently required...

As I said in my previous newsletter the Swimming Pool is now open and we are only 2 weeks from the children using the pool. We desperately need the actual pool painting. We have the paint but we need the manpower to do it. Many hands make light work! Apparently it takes about 3 hours to do, so if we could get a team together to do it, then it would only take a short time after school or during school time to do it. If you can give a small amount of time please do pop into the office, see myself or Mark Laybourne-Davies or Sarah Garbutt-Griffiths.

MAY

- Mon 20 Y5/6 Residential Trip
KS1 Sports Fun Day –
Hartpury College
- Wed 22 Y4 Residential Trip
Y3 TRAC visit
- Fri 24 Last day of Sum 1

Swimming Gala Report...

On Thursday 16th May, most of Class 3 went to Newent Swimming Gala - pretty much everyone won at least three times! We started with a warm-up and then we sat down. The order was Y5 girls, Y5 boys, Y6 girls and Y6 boys. We won every race except 3! It was so much fun!

Jenson Arrowsmith and Emilia Lumb

Class One News

English: We have been writing some information on bees and we have watched a video called the caterpillar's shoes. We designed our own shoes or wings for the caterpillar and made a poster to persuade the caterpillar to choose our shoes. Everybody had great ideas and some of the shoes had solar panels and jet packs! Wow! We have also continued our bean diaries and have been watching them grow.

Maths: In Reception we have been doing taking away and adding. We have been using Numicon and number rods to help us. In year 1 we have been continuing multiplication and we have been exploring grouping things in fives and the different ways we can show this to help us.

We have been looking at trees and talked about evergreen and deciduous trees. We did some bark rubbings.

Theo Vinson and Barney Duke

Class Two News

On Lego day we made bridges with Mrs Smith, had a Lego Treasure Hunt with Mrs Evans and built three sided houses and played guess what building with Mr Kilmister. It was great fun.

Jack Bisco

Class Three News

In English we wrote an Indonesian persuasive text to persuade people to come to Indonesia. In maths we did money and decimals. We planted peppers and sunflowers and the sunflowers are for a competition. The peppers are for selling. We had a wonderful Lego day with lots of activities and at the end we watched the Lego Batman movie.

Tom Crispe and Darcy Scott

Congratulations...
