Head Teacher's Message

Dear Parents and Carers,

Since our last newsletter so much has happened. The whole school have been great ambassadors for Redmarley as they have been out and about. Comments about our children's behaviour have been outstanding and the children have really enjoyed their visits.

We had lots of success in the recent Swimming Gala finals with Lucas and James coming first in their races and many children coming second or third. We also retained the Maths 24 title on Friday.

Congratulations also go to Isabella Dodane who competed as an individual in a very large showjumping class and did so well that she qualified for the NSEA showjumping National Championships. This is fantastic especially as it was Isabella's first time at this level and she competed against many children that were much older than her. Her results in this class are very impressive. Well done Isabella.

Year 5 have Cycling Proficiency next week and so there will be many bikes in school. If it helps you are welcome to keep bikes in school all week as long as they are locked.

I have added more dates to the diary!

Kind regards

Sarah Smith
Head Teacher

A Big Swimming Thank You....

Thank you to all of you who have paid your swimming contributions, but if you haven't please just send it in to the office. Thank you to all who have helped with the pool to get it into shape for swimming. It looks amazing. It's a bit like being in the Mediterranean when you are in there!

When the weather is wet and cold, we will make a decision as to whether we swim or not. The idea is to enthuse the children into swimming, not put them off and we don't want the younger children getting cold.

Diary Dates

JUNE

Wed 12	Girls Kwik Cricket Tournament
Thur 13	Y5/6 Mixed Netball Tournament
Fri 14	Class 1 Cake Café
Mon 17	Y5 Cycling Proficiency
Tue 18	Class 3 Masterpiece
Thur 27	Y3/4 Kwik Cricket competition

JULY

Mon 1	Lego Challenge – Y5
Tue 2	Climbing Wall Day
Wed 3	Skipping Day
Thur 4	Pulse Games Cricket Tournament at Redmarley Cricket Ground Y4/5
Fri 5	Sports Afternoon – 1pm
Tue 9	School Production 1.30pm
Wed 10	School Production 6.30pm
Tue 16	Class 3 visit to Cheltenham Cricket Festival
Thur 18	School Disco 5pm – 7pm
Fri 19	Leavers Assembly – 2pm Last day of Sum 2

Y4 TRAC Residential Visit

On Wednesday 22nd May some Year 3 and 4 together with children from other schools went to TRAC. We were split into groups with different schools and we had 12 activities spread out over the day. We did boating and zip wire and many more. At 2 o'clock everyone left but Redmarley Y4s remained. We had some free time while enjoying some delicious spaghetti bolognese. The next day we had breakfast and walked around the centre and collected the orienteering tags. We had lunch and then we did raft building. The winning team was Team Smith. Friday was relaxed we went on the go-carts then our parents collected us. It was so fun.

Emilia & Libby

Y6 PGL Residential Visit

The first day there we got soaked! We got our keys and were unpacking in torrential rain. Once we were unpacked we went to the camp fire.

Day 2 was fencing then the sensory trail. After lunch it was raft building where most people got wet! The theme night was a quiz show.

Breakfast, lunch and dinner every day was good and Mich our "groupy" was really good.

Thank you to Mich and our teachers that took us. Our favourite activities were Trapeze, Giant Swing and Ambush.

Arthur & Erinna

Class One News

In English we have been doing some creative writing and sharing ideas about how a pirate got stuck on a desert island and how a banana grew really large. We have also been practicing writing our one armed robot letters and joining our letters together.

In Maths Reception have been connecting, adding and subtracting using a number line and other methods this week. We have used a spinner to find a number and then made the addition sentence by doing that amount of jumps on a number line.

Year 1 have been looking at quarters and have been thinking about this in many ways such as turning, drawing shapes and folding.

Mattea & Oscar

Congratulations...

Class 3

Stanley Grange

Class Two News

This week Class 2 have been building a Tin Forest reading area. Its very cosy! We are surrounded by tin creatures. In maths we have been learning about mass and weighing food. Please come and see our Tin Forest and beautiful flowers

Tilly & Esther

Class Three News

In English we are writing mystery stories based on a picture we have chosen. So far we have been planning our mystery stories on a planning sheet.

In Maths, Year 6 have been doing Maths booklets about a theme park. Year 5 have been doing co-ordinates and Y4 have been problem solving.

In topic the subject we are focusing on is earthquakes.

In PE we are doing netball with Mr Bee and Mr Kilmister.

Erin & Poppy

Isabella rides for Redmarley School

On Saturday 8th June, Isabella Dodane went to Hartpury Equine Centre to represent the school. She did the 70-75cm jumping and 80-85cm jumping. She came 3rd in the 70-75cm and got eliminated in the 80-85 cm which was sad. Isabella got through to the National Showjumping Finals to represent the school again. Well Done Isabella.
